

DSCI CORPORATION

Commonwealth of Massachusetts

D.T.E. 03-60

Respondent: Sean Dandley
Title: President & CEO

REQUEST: MCI, Set #1 to CLECs

DATED: December 30, 2003

ITEM: MCI-1 Please state whether you are an incumbent local exchange provider (“ILEC”) or are an affiliate of an ILEC providing telecommunications service in Massachusetts. If you are an affiliate of an ILEC, please identify the ILEC and describe the affiliation. For purposes of these Requests, “affiliate” shall be as defined in the Communications Act of 1934. Section 3 of the Act defines the term “affiliate” as “a person that (directly or indirectly) owns or controls, is owned or controlled by, or is under common ownership or control with, another person. For the purposes of this paragraph, the term ‘own’ means to own an equity interest (or the equivalent thereof) of more than 10 percent.” 47 U.S.C. § 153(1)

REPLY: DSCI Corporation ("DSCI") provides telecommunications services in Massachusetts as a CLEC. It is not affiliated with any Massachusetts ILEC or CLEC.

REQUEST: MCI, Set #1 to CLECs

DATED: December 30, 2003

ITEM: MCI-6 Using the switches identified in CLEC-5:

a: Do you currently provide local exchange service to residential customers in Massachusetts? If so, are you currently advertising this service? Are you currently marketing this service? Please explain [e.g. broadcast or print advertising, telemarketing, direct mail, Internet, etc.].

b. Do you currently provide local exchange service to business customers in Massachusetts? If so, are you currently advertising this service? Are you currently marketing this service? Please explain.

c: Please provide a description of each of the residential and/or business local exchange products that you currently provide to Massachusetts customers using voice grade, non T-1 loops. You may choose to respond by completing the following matrix.

Product Name	Available to Res. Customers?	Available to Bus. Customers?	Retail Price?	Bundled with LD or DSL Service?	Available as Standalone Local Product?	Currently Advertising?	Currently Marketing?
[Name of product]	[Yes/No]	[Yes/No]	[\$X.XX]	[Yes/No]	[Yes/No]	[Yes/No]	[Yes/No]

d. For each switch identified in CLEC-5 other than circuit switches, please provide the following additional information regarding the local exchange service that you provide:

- i. How many telephony customers do you serve via that switch?
- ii. To what percentage of those customers do you provide standalone local exchange service (i.e. no broadband, no cable television)? What is the retail price for this service?
- iii. To what percentage of those customers do you provide local exchange service and broadband service but not cable television service? What is the price for this service?
- iv. To what percentage of those customers do you provide local exchange service and cable television service but not broadband service? What is the price for this service?
- v. To what percentage of those customers do you provide local exchange service, cable television service, and broadband service? What is the price for this service?

REQUEST: MCI, Set #1 to CLECs

DATED: December 30, 2003

ITEM: MCI-12 For each switch identified in your response to CLEC-5 other than circuit switches, please provide the following for each switch:

- a. the date(s) on which you installed the switch and began providing local exchange service on the switch;
- b. the geographic area served by the switch compared to the geographic area served by any circuit switches you use to provide local exchange service;
- c. any differences in the technical or operational requirements for the customer to obtain local exchange service from the switch, including customer premises equipment or software (e.g., specialized phone set; availability of computer, cable modem, set top box, need for customer premises battery backup for telephone service), access method (e.g., DSL, cable television, satellite service), provisioning interval.

Respondent: Sean Dandley
Title: President & CEO

REQUEST: MCI, Set #1 to CLECs

DATED: December 30, 2003

ITEM: MCI-19 Please explain whether you currently have in place and use electronic automated systems to:

- a: Process orders placed by customers whose service will be provisioned using your own switches.
- b. Provision service for customers using your own switches
- c. Maintain and repair service for customers whose service is provisioned using your own switches.
- d. Conduct trouble isolation and repair for customer services provisioned via your own switches using UNE loops.
- e. Conduct testing for customer services provisioned via your own switches using UNE loops.
- f. Bill customers whose services are provisioned using your own switches.

If with respect to your answer to any of the above subparts your systems are only partially electronic, please identify specifically which portions are electronic, and which are manual, and provide a detailed explanation of the limitations created by the manual portions.
